New Summer Events ~ More Information

Vertical Bible Study ~ To teach 6-8th grade students to use a proven method (Kay Arthur) for studying the Bible. Each student will be taught the essential skills to read the Bible for themselves in a method that will carry them through their lives. This is a must for any junior high student's journey with Christ. Lunch provided at the Mather's house.

Elevators Anonymous ~ This is a student-named and student-led search for God's voice and truth in the Bible. Every week students will read a passage together, chew on it, think about it, journal thoughts and then engage in discussion about what God's trying to reveal to each of them about Himself. Students will gain confidence in reading & interpreting the Word to hear from God in their daily lives. Every group has an adult host/chaperone.

Upcoming Events ~ More Information
